

Dear Hamilton Meal client,

Due to the increased risk of COVID-19 to those 60 and older, and the possibility of overwhelming medical facilities within Ravalli County, the Senior Center/Meal Site has been asked to curtail all gatherings including the Congregate meal service. The meal site will remain closed until the board, in association with State and local health authorities deem it safe to reopen.

To continue to provide services to our clients, the Council on Aging will provide meals for pick-up at the Hamilton Sr. Center on **Thursdays starting March 26th** between Noon-1:00. If you would like to reserve a **Hot Meal and up to 2 Frozen** for pick-up you must call the Hamilton Senior Center @ 363-5181 the **Monday prior between 9-11**. So for the March 26th pick-up you need to call and reserve on Monday, March 23rd. When you call, please be prepared to give your phone number, address, and Senior Center scan card number.

Please NOTE: When you come to pick up your meal, please bring your own bag for the meals. Limit your time in the SC. Pick up your meals and leave.

Thank you.

If you are required or choose to self-quarantine/isolate. Please call the Council on Aging for instructions and assistance.
